Case Dismissed.

Justice Simonson, of Chesterfield county, this afternoon heard the case against E. A. Hartiey, of this city, about which so much ado has been made. Mr. Hartley was summonded to answer the charge of removing his dog from the count; after it had been ordered to be killed, it having been reported that the animal had been bitten by a rabid dog in this city. There was no evidence to show that the dog had been bitten, as had been suspected, and the case was dismissed. Personal and Otherwise.
